### **SEAPLEX<sup>SM</sup>**

SeaPlex is not only the largest indoor active space at sea, but also the most groundbreaking.

For starters, it has the world's first-ever bumper car rink at sea!

You'll also find a roller-skating rink, a full-size hoops court and table tennis — not to mention a circus school, so you can tap into your inner trapeze artist.

By night, Two70° transforms. As the lights go down and the music comes up, you'll find yourself immersed in the center of spellbinding performance art, mind-blowing light shows and dazzling digital scenery.

And did we mention there also happens to be an ice bar serving up your favorite cocktails?
